

## **Latest info on COVID-19 (June 2020)**

- The new coronavirus (COVID-19) has spread globally and led to **travel restrictions** worldwide – including in Taiwan. Since last 19 March, foreigners are no longer allowed to enter Taiwan unless they have an *Alien Resident Card* (ARC) or are businessmen with the required permits (e.g. offshore wind industry). Travelers entering Taiwan will be required to spend 14 days in home quarantine.
- Taiwan's Centres for Disease Control (CDC) has adopted a series of **measures to prevent the spread of the pandemic**. For a full overview of the measures currently being implemented, visit the CDC's website: [www.cdc.tw/En](http://www.cdc.tw/En)
- Belgium is currently **advising against all non-essential trips abroad**. Should you need to travel, please contact your airline company or travel agency to check about the likely (re)scheduling of your flight.
- For more information on the **situation in Belgium** and the measures taken by the Belgian authorities (including travelling to Belgium), please refer to the following website: <https://www.info-coronavirus.be/en/>
- Kindly note that from now on, the **Belgian Office, Taipei** only works through online scheduling. Make an appointment online via our platform [e-Appointment](#).
- Last but not least, if you are currently in Taiwan but not registered at the Belgian Office, please send us an email at [taipei@diplobel.fed.be](mailto:taipei@diplobel.fed.be) with your latest contact details and/or **register your stay** on the platform <https://travellersonline.diplomatie.be/>
