

Latest info on COVID-19 (20220722)

1. COVID-19 has spread globally and led to **travel restrictions** worldwide – including in Taiwan where the following measures currently apply:
 - From 19 May 2021, **foreign nationals without a valid Alien Resident Certificate (ARC) are barred from entering Taiwan until further notice**. Exceptions may be made for individuals who obtain entry permission for emergency, humanitarian reasons. Starting 7 March 2022, business men may enter Taiwan with a special visa. On 19 July 2022, the following categories : volunteering, religious proselytization, studying religious doctrines, internships, international exchanges, and working holidays (youth exchanges) may apply for a special visa to enter Taiwan. (see: https://www.cdc.gov.tw/En/Bulletin/Detail/I9YdMhSzuA9A5F2x1_E7nQ?typeid=158)
 - Starting July 14, 2022, R.O.C. nationals, ARC holders, transit passengers **to be exempt from providing PCR test** results within two days of their flight (see: <https://www.cdc.gov.tw/En/Bulletin/Detail/W0PeXU928EGDh6jpHsEwGQ?typeid=158>).
 - All incoming travellers must undergo a **3-day quarantine period**, followed by a **4-day self-health management period**. Quarantine shall be in principle at home or at a quarantine hotel; those who choose to undergo quarantine at home shall make an affidavit to declare they have met the requirement of “one person per residence” (i.e. only those travelling together and where separate rooms and bathrooms are guaranteed at home can apply for this affidavit). For the self-health management week, travelers shall also follow the “one person per residence” rule. (see: <https://www.cdc.gov.tw/En/Bulletin/Detail/xPj4hm0pCIVP5EJv9TOjIQ?typeid=158>)
2. Taiwan’s Centers for Disease Control (CDC) has adopted a series of **measures to prevent the spread of the pandemic in**

Taiwan. For a full overview of the measures currently being implemented, visit the CDC's website: www.cdc.gov.tw/En

3. **Travel to Belgium from Taiwan** is currently permitted according to the latest decision relating to accessing the Belgian territory. For more information regarding travelling to **Belgium from Taiwan**, please check the following website with the relevant information.

<https://www.info-coronavirus.be/en/travels/>

Please note that if you travel from **Taiwan (white list)**:

- You don't need to quarantine or get tested if you have a vaccination or recovery certificate.
 - You do not have a vaccination or recovery certificate? Get tested before your arrival (PCR up to 72 hours before or RAT up to 24 hours before). Did you test negative? You do not need to quarantine or get tested when you arrive in Belgium.
4. Concerning the **Passenger Locator Form** (PLF)

A PLF is not needed when travelling to Belgium from Taiwan (white list).
